Join us every Lenten Monday as these inspirational speakers guide us through 5 challenging areas of our lives in which we are called to “get it right” during this Lenten Journey.

Sessions are at 7pm in the Hall (5<sup>th</sup> Monday session with Msgr. John in the Church)  
*Childcare is available by reservation. Please call 949/495-4126 at least 3 days in advance.*

2/27

**Sr. Edith Prendergast, RSC**  
**“What’s Right with the World?”**

The session will enable us to recognize possibilities as we deal with the challenges before us.

3/5

**Fr. Chris Smith**  
**“Getting Relationships Right”**

As part of our Lenten journey, we will reflect on the meaning of reconciliation in a ruptured world, the call of Jesus to be in right relationships and how we might engage in processes that ultimately lead to true reconciliation with the Lord and each other.

3/12

**Sr. Kit Gray**  
**“Getting Life Transitions Right”**

Change is the “stuff” of human life. However, as William Bridges says, “It isn’t the changes that do us in. It’s the transitions.”

3/19

**Fr. Felix Just, SJ**  
**“Getting the Passion & Resurrection of Jesus Right”**

What are the Passion and Resurrection of Jesus really all about? Surprisingly, our four Gospels give us very different answers!

3/26

**Msgr. John Urell**  
**“Getting God’s View of Me Right”**

It is most important that we get it right as to how God sees us as based in Scripture and in Church teaching; this will be the focus of Msgr. John’s presentation as we wrap up our Lenten Series. The presentation will be followed by time for prayerful meditation during the Taize prayer experience.
